DATE: September 29, 2017
TO: Whom It May Concern
FROM: Mark McCorley, Director of Programs

REF: Lark West

Lark West has been an outstanding volunteer at the Lake County Jail and we are very sad to see her leave the area. Lark has volunteered at the Lake County Jail for 23 years in our Addiction Recovery Program.

She has served with various chapters and various positions, all of which she has done and exemplary job!

After a sickness, when the need for another person to step up as an addiction recovery coordinator at the Lake County Jail became apparent, Lark stepped forward to do her part and much much more.

As Director of Programs in a correctional facility, I supervise and oversee the activities of all paid program staff, contract staff, as well as all jail volunteers. It has been my pleasure to work with Lark during this past 9 years of my tenure. Lark has a great disposition and communicates well with both staff and inmates in our facility. Lark deals in a compassionate but effective manner with everyone.

In closing, not only are sad to see Lark West leave, but I want to advise whomever receives her as an employee or volunteer, that you get her with 110%. She brings everything to the table and then some. I wish her well in all future endeavors and I congratulate those who she gives her service to on a job well done in your choice of Lark West.

Sincerely,

Mark McCorley,
Director of Programs
